

The Graceful Connection

November 2024

Latest News from the Town Village Audubon Park Newsletter

November is a month filled with opportunities to honor history and spread kindness! As we celebrate Native American Heritage Month, we take time to recognize the rich cultures, traditions, and contributions of Native Americans. Ask your Life Enrichment Director what special activities this month will honor Native American history and showcase the contributions of indigenous peoples.

On November 13th, we also celebrate World Kindness Day. It's a perfect reminder to practice small acts of kindness, whether through a kind word, a smile, or helping a neighbor. Let's come together as a community to spread warmth and compassion throughout the month.

It is fitting that November is also a month of Gratitude as we prepare to celebrate Thanksgiving with our friends and family. What are you most grateful for this year?
